The 2nd Annual Cape Fear Flounder Classic was held at Southport Marina on Saturday, July 30th! This event is a fundraiser for the Southport-Oak Island Area Chamber of Commerce. Following the prize structure of the Chamber's very popular U.S. Open King Mackerel Tournament, the all cash guaranteed prizes total \$5,300. The boat, Magic Stik out of Bolivia won first place with a 6.5 pounder! Pictured below: Left to Right Tournament Co-Chair Martin Register, Crew Members Wes Knox, Michael Sellers, Captain Adam Sellers and Tournament Co-Chair Dione Potter.

License & Registration, Please.

North Carolina prides itself on the first class safety of our waterways and boaters. Make sure that your boating and fishing licenses are up to date! If you're under the age of 26, you're required to take a boating safety course. You can find those at :<http://ncpaws.org/boatingsafety/coursesearch.asp>

However, if you just need to renew, visit the Wildlife Resource Commission website at www.NCWildlife.org.

HURRICANE SEASON IS UPON US!

The list is out! The 2011 Tropical Storm & Hurricane Names List includes names such as Gert, Ophelia, Nate, Sean, & Whitney! Hopefully we won't experience these terrors, but if you'd like to protect your boat in the case of a hurricane, you can call the marina for info on their Hurricane Haul-Out program. (910) 457-9900
